

Possessive Pronouns

A possessive pronoun tells who or what owns (possesses) something.

A possessive pronoun takes the place of possessive nouns (nouns that show ownership).

Examples of possessive pronouns that are used before a noun:

our boat **her** brother **my** necklace **your** house **their** basket **its** tail

Examples of possessive pronouns that stand alone:

Is this hat **yours**? Yes, the cards are **mine**. Is this book **theirs**?

Rewrite each sentence using a possessive pronoun from the word box for the underlined word.

her	his	its
our		their
